# GENERAL SCHOOL INFORMATION

## SCHOOL ARRIVAL

Students begin and end their day on the playground. Kindergarten students use the kinder playground at the northeast corner of the school. Grades 1-5 use the large playground on the south side of the school. Students line-up at their designated line on the playground when the bell rings.

**Students can arrive at school at 8:45 a.m.** (fifteen minutes prior to the start of the school day).

**Supervision will not be available prior to 8:45 a.m. To ensure your child's safety, please adhere to this time. Students cannot be on campus prior to 8:45 a.m. as supervision is not provided until 8:45 a.m.**

*For students in kindergarten, older siblings are not permitted to play on, or remain at, the kindergarten playground. If they drop a younger sibling off, they are to do so and proceed immediately to their playground on the south side of the school.*

The playgrounds will close promptly in the morning, immediately after classes enter the building. Students arriving after 9:00 a.m., and after the gates are locked, should enter through the main office.

**Tardy Students: Students arriving at or after the 9:10 a.m. tardy bell must be walked into the front office by a parent or guardian. They need to be signed in on the log in the office and receive a late pass.** CCSD Regulation states that a student is marked tardy when they are not physically present in the classroom at the start of the instructional day. This means that students must be in their classrooms by 9:10 a.m. The best way to ensure this is for students to be at their line-up location each morning at 9:00 a.m. *Students who walk into the building at 9:10 a.m. do not have time to arrive in their classroom by the tardy bell and will require an adult to sign them in before they will be sent to class. Please ensure that you note the clock times within the school as a reference.*

## MORNING DROP-OFF

The parking lot tends to be very busy in the morning and afternoon. We have implemented important procedures to help maintain student safety.

### Morning Drop Off Procedure

1. Students may arrive as early as 8:45 a.m. Please ensure that your student does not arrive any earlier as we do not provide adult supervision until 8:45 a.m.
2. The staff parking lot, located closest to the kindergarten playground, will be closed off during the day. Parents may not enter this parking lot to drop off.
3. The bus lane in front of the school is closed for thru-traffic and is only used for busses.
4. The main parking lot, located in front of the school, between the school and Campbell Road, is used for an ***express drop-off lane***. Any vehicles driving through the express lane must do so slowly in a single lane. Please ensure that you watch for children and stop for people using the crosswalk.
5. Parents using the express drop off lane are asked to pull forward to the farthest point possible, toward the end of the front parking lot.

6. Once stopped, parents must remain in the car as the student quickly exits the car and walks to the playground. Morning duty personnel will assist to ensure students enter the playground safely.
7. Parents are asked to exit the parking lot immediately; remaining parked in the lane to watch your child walk to the playground causes a traffic backup in the lane. If parents choose to remain to watch their child or children enter the playground, they will be required to pull into a parking spot.
8. If your child requires assistance in getting out of the car or walking to the playground, we ask that you find a suitable parking space so that traffic can proceed as normal. Please do not stop for more than a few moments in the express lane.
9. Parking is available east of the school on Campbell Road, north of the school on Severance Lane, or south of the school on Solar Avenue.
10. **For the bus lane on the south side of the school, the lane will be available for use in the mornings only to pull into and drop-off a student.** Cars cannot park in the lane or stop for more than a few moments, as it will serve as a quick drop-off lane. Drivers are asked to pull forward as far as possible to drop off their children and to use extreme caution with students in the area, driving in and out of the lane slowly.

Important notes for the safety of our students: **Please ensure that you proceed slowly through the parking lot and school areas at all times. Ensure that you stop for students in crosswalks. Please use the crosswalks to model the actions to promote student safety.**

**Dropping students off at the sidewalks around school is only permitted in NON-FIRE LANE locations. If an area of the sidewalk is marked for a fire-lane, cars must NOT park or stop in the areas for pick-up and drop-off.**

#### **MORNING OPENING:**

At Thompson Elementary, we have created a consistent procedure for “Morning Opening.” Each morning at 9:00 a.m. the morning bell will sound, signaling to the students that they need to stop playing and walk to their line-up locations. When in line properly, they will be greeted by their teacher and enter the building. After entering the classroom, students will participate in the Pledge of Allegiance, 30 seconds of silence, and listen attentively to the morning message.

## **CLOSED CAMPUS - DROP OFF AND PICKUP PROCEDURES**

### **Morning Drop Off**

- The campus opens to students at **8:45 a.m.** There is no supervision prior to 8:45 a.m. **Students should not arrive on campus prior to 8:45 a.m.**
- Only authorized CCSD personnel will be on the playground in the morning. For those parents and guardians dropping off their children, you can bring your student(s) to either of the available gates: the main gates on the East side of the campus or the small gate on the South side of the campus near the “kiss and go” lane.
- Parents can continue to drop off students from the main parking lot on the East side of our campus, following established driving and parking policies, or utilize the “kiss and go” lane on the South side of our campus.
- **No parents or guardians will be permitted inside the school campus.** For the purposes of this policy, the term “school campus” is defined as any area within the fenced portions of our school as well as the entire interior of the school building.
- Kindergarten students will continue to be dropped off at the Kindergarten gate on the North side of the school. Parents will not be permitted onto the Kindergarten playground.
- Parents will not be permitted to enter the multipurpose room.

## **After School Pickup at Dismissal**

- **At 3:20 p.m.**, our gates will open. We will make every effort to ensure classes are lined up and ready for dismissal by 3:21 p.m. daily.
- Only those adults, guardians, siblings 14 years or older, or adults authorized to pick up students will be permitted onto the school campus.
- **Teachers will only release students to those authorized to pick up the student(s).**
- If you are planning on an older high school or college sibling pick up your child, that person a) must be on the authorized pickup list, and b) cannot bring friends and associates onto the campus with them.
- It is imperative that parents include all individuals who may pick up their student(s) on the pickup list. Teachers will not release to someone not on the pickup list.
- If there are any questions or discrepancies regarding who is picking up a student, the student will be brought to the office by the teacher and administration or a designee will determine if the person is able to pick up the child.
- When entering the campus for the brief time it takes to pick up your student or students, please remain behind the class lines and **do not walk through class lines**. The class lines extend outward in a semicircle (commonly called sunshine rays), and all adults arriving to pick up children are required to **stand behind the class lines**, closer to the South side of the campus. This will allow us to avoid crowding and congestion near the school building.
- All students are required to be picked up by 3:26 p.m. daily.
- Parents are encouraged to register and prepay for Safekey in the event that your child cannot be picked up by the required time due to unforeseen circumstances.

## **STUDENT CHECK-OUT**

The following procedures are in place for parents wishing to pick their child up for early release:

- **All persons must check in at the office.** Extreme care is exercised at all times when releasing children from our school.
- **Anyone** picking up a student will be asked for valid picture identification. It is necessary to have identification with you any time you will be picking your children up early.
- Only persons listed in the student's file as parents, guardians, or emergency contacts will be allowed to sign a student out.

Please understand that **early pickup is not available after 3:00 p.m.** Many parents attempt to beat the traffic by picking up their children early. This can tie up the office staff during the busiest time of the day. The last minutes of school are typically when teachers distribute and explain the homework, so students really need to be there. Please make arrangements to pick up prior to 3:00 p.m. if needed, or schedule appointments after school hours. Thank you for your help in this matter.

## **AFTERNOON DISMISSAL**

**Students will be dismissed at 3:21 p.m.** Students in first through fifth grades will walk with their teachers to the large playground area at dismissal. Students in kindergarten will walk with their teachers to the kindergarten playground and will be dismissed from their line-up location. Parents are asked to

avoid taking their children from the line, and instead ensure that they wait for the class to line-up. If students walk or ride the bus, they will be dismissed by the teacher. Students being picked up will wait with the teacher. Parents who pick up their children should meet their primary students on the playground at their class line on the sunburst. Parents of intermediate students may choose to designate an alternate pickup point for their children. \*For students who are not picked up on time, they will be taken to the office and parents will be contacted. Parents must ensure that they arrange for consistent and timely pick-up for their children.

For safety reasons, the Thompson parking lot will be closed off each afternoon prior to dismissal time. Only district busses, daycare vans, or vehicles with a visible handicapped tag/license plate will be able to enter the parking lot prior to and immediately after dismissal time. Please be vigilant in obeying all traffic laws and act as a courteous driver when picking up your child. We have hundreds of students leaving the campus at the same time, so please act in a way that ensures the safety and well-being of all students, staff, and community members. Lastly, please understand that bus areas are clearly marked and should never be used for parking or for pulling into. Cars are not allowed in the bus areas.

- **The front parking lot will be closed each day at 3:10p.m.**
- **The front entry gate, bike rack gate, and the bus lane gate will be unlocked daily at 3:20 p.m.**
- For students using bikes or scooters, they **will need to walk their bikes and scooters down the ramp to exit the parking lot. Bikes and scooters are never allowed on the playground and are not allowed on the sidewalk area in front of the school at the end of the day.**
- **All playground equipment is unavailable for use in the afternoons by any children (ex. students and younger students). This includes kindergarten playground equipment and both covered playgrounds on the main playground. Students and siblings are also restricted from playing on the fields after school. These rules apply to younger siblings accompanying parents as well as our own students.** We do not have personnel available to supervise the playground. At times parents lose track of their children, creating a potentially unsafe situation. Secondly, we cannot determine which children have parents watching them and which do not. Too often in the past, students have lingered on the playground instead of walking home as directed by the parent. This creates an unsafe situation for students walking home alone after most other students have already left. Similar to this, often students will attempt to play on the playground instead of getting on the bus, entering Safekey, or going to an after-school activity. Overall, we believe it is best if students and families exit the campus quickly and safely.
- Parents and students are asked to leave the playground in a safe and expeditious manner so that the playground can be locked and secured.
- If an older sibling who does not attend Thompson is picking up a younger brother or sister from the campus, the sibling must obey all school rules and procedures and may not bring other friends with them who do not have Thompson siblings.

### **SAFEKEY PROGRAM:**

The Safekey Program is a recreational enrichment program for children in grades K-5. Safekey is designed to meet the needs of the working parent as well as the children. For further information, please call 702-229-3399. It is highly recommended that all students be registered for Safekey, even as a walk-in, so that your child(ren) can go to Safekey in the event of an emergency.

## CCSD AFTER SCHOOL CARE PLAN:

Students must be picked up on time at the conclusion of the school day. It is required that parents sign an “After School Care Parent Agreement and Authorization” form for all students. If students are not picked up at the end of the day, school personnel will attempt to contact the parent/guardian and emergency contacts. If a parent or emergency contact is not reached, and the child hasn’t been picked up, he/she will be taken to Safekey. Parents will be required to pay the school for the Safekey pass when their child is not picked up, and therefore taken to Safekey. The cost is \$20.00 per event. A required parent conference will be conducted with parents when students are not picked up and need to be taken to Safekey. It is recommended that you enroll your child in Safekey and purchase passes for the account in case an emergency or event keeps you from picking your child up on time. Students with a history of late pick-up will be taken to the Boys/Girls Club with Child Haven as an alternative.

## SCHOOL-WIDE BEHAVIORAL EXPECTATIONS AND POLICIES

Thompson has implemented school-wide behavior expectations in the form of a behavior matrix that details expected behaviors around the school. The major rules are as follows: Be responsible, Be respectful, and Be safe (and in all actions, Be kind). The school rules and expectations fall under the main categories. Teachers and staff will utilize procedures to reinforce the expectations throughout the year.

An attempt will be made to include the teacher in Required Parent Conferences.

Thompson Elementary school is committed to providing a safe and respectful learning environment in which all persons are able to realize their full academic and personal potential. All forms of bullying, cyberbullying, and intimidation will be dealt with using the school’s progressive discipline policy. Students will be taught the appropriate ways to deal with bullying and intimidation. This will include methods used to report offenses so that student safety and confidentiality is maintained.

### **STUDENT SEARCHES:**

The following information, directly from the school district, is required to be shared with students and parents: “Students are hereby informed that they will be subject to search when they enter campus after the beginning of the school day. This includes, but is not limited to, unauthorized returns. This notice does not exclude personnel, however, from searching a student at any time should there be reasonable suspicion of wrongdoing.”

### **ASSEMBLY PROCEDURES AND EXPECTED BEHAVIOR:**

When students are called to an assembly, they will enter the multipurpose room in an orderly manner at the direction of the teacher. Each student will sit on the floor and is to remain seated for the entire performance. Unless it’s an emergency, students will not be allowed to leave during the assembly for bathroom usage. Boogieing, whistling, shouting, and other discourteous behaviors are not acceptable, and students choosing these behaviors will be removed from the assembly. At the conclusion of each assembly, students will remain seated until given directions by the teacher.

## **DRESS CODE AND APPEARANCE**

The CCSD dress code (Regulation 5131) can be found at [www.ccsd.net](http://www.ccsd.net), and includes the following: Students' dress, personal appearance, and conduct are required to be of such character as not to disrupt or detract from the educational environment of the school. Any style that tends to diminish instructional effectiveness or discipline control by teachers is not acceptable. Students are to be dressed in such a manner that their appearance in the school contributes to the learning environment.

The following provisions are included in the district's dress code regulation:

1. Require the wearing of shoes with soles. House slippers and shoes with wheels are not permitted.
2. All clothing must be sufficient to conceal any and all undergarments. No skin will show between bottom of shirt/blouse and top of pants or skirts at any time. All sleeveless shirts must have straps at least three inches wide. Prohibited tops include, but are not limited to, crop tops, tank tops, muscle shirts, strapless, low-cut clothing, clothing with slits, or tops and outfits that provide minimum coverage.
3. Require that all shorts, skorts, skirts, and jumpers/dresses must be at fingertip length.
4. All jeans, pants, and trousers must be secured at waist level. Sagging is strictly prohibited. Jeans, pants, and trousers are not to have rips or tears that expose undergarments, skin, and/or are located mid-thigh or higher.
5. Headgear (hats, hoods, caps, bandanas, hair grooming aids, etc.) is not permitted on campus except for designated school approved uniforms, special events, authorized athletic practices, documented medical conditions, bona fide religious reasons, or CCSD/school sanctioned activities.
6. Costume or decorative-type items (i.e. headbands, with cat or bunny ears, etc...) cannot be worn at school unless they are worn for a preapproved spirit or dress up day.
7. Slogans or advertising on clothing, jewelry, buttons, and/or accessories which by their profane, controversial, discriminatory, and/or obscene nature disrupt the educational setting are prohibited.

10. Outerwear such as coats, mittens, and scarves must be removed upon entering the classrooms/buildings. Administrators, teachers, and staff may use their discretion as appropriate based on the temperature in the facility.

### **The Thompson Elementary School dress code includes the following provision:**

Student hair color must remain a naturally-occurring color (examples include: brown, black, blonde). Unnatural hair colors detract from the learning environment and are not permitted at school. This policy applies to hair braids and extensions as well. The principal retains final authority regarding hair coloring and related items.

**NOTE from CCSD Regulation 5131:** The school administration shall have the right to designate which types of dress, fashion, fads, or appearance disrupt or detract from the educational program and may be a potential safety hazard. The principal shall retain the authority to grant exceptions for spirit days, special event dress days, and school-wide free dress days.

### **DRESS CODE VIOLATIONS:**

Students who arrive at school with an item that does not fit the dress code guidelines will be sent to the nurse's office. Parent contact will be attempted and then a change of dress may be provided, if available, or parents/guardians will be asked to bring a change of clothes or items for their children. Every effort

will be made to minimize the amount of time a student is removed from class. Repeat dress code violations could result in a Required Parent Conference.

### **SPIRIT DAYS:**

**Friday** will be considered “Spirit Day” at Sandra Lee Thompson Elementary School. The wearing of school T-shirts and school colors (cardinal and gold) is encouraged for staff members and students. In addition, **Wednesdays** are designated as our “Be Kind” dress day, and students and staff are encouraged to wear **Be Kind** shirts.

## **ENROLLMENTS AND WITHDRAWALS**

When a student enrolls, he/she will not attend class until the next school day. If it becomes necessary for you to leave our school during the year, please make every effort to notify the teacher and/or office at least one week in advance so that we may help make your transfer speedy and efficient. Library books and textbooks need to be returned before leaving. Any unpaid library fines (for lost or damaged books) will transfer to the next CCSD school, so please take care of this prior to withdrawal.

## **ATTENDANCE**

Attendance has a direct impact upon achievement. We ask that you work together with us and stress the importance of good attendance to your children. Make a big thing of being present and on time every day. *If a student is sick, be sure he/she brings a written excuse.* Attendance enforcement is a shared responsibility of the parent/guardian and school district.

### **CLARK COUNTY SCHOOL DISTRICT ATTENDANCE REGULATIONS:**

Regular attendance in school leads to increased student achievement and students benefit from the educational opportunities provided by our excellent staff. The following information outlines the major provisions of the district’s attendance regulations:

- Student ***tardiness is a serious disruption*** to the educational program and infringes on the educational rights of other students.
- A student is to be marked tardy if they are not physically present in the classroom at the start of the instructional day.
- A student who exceeds twenty (20) absences during the school year ***MAY be retained in the current grade.***
- An unapproved absence for one or more class periods shall be deemed a truancy (NRS 392.130{2}). A student is declared truant when he/she is absent without a valid excuse, did not secure prior permission for the absence, or did not make up the class work for an excused absence. Failure to provide an excuse within three (3) days will result in an unexcused absence. In accordance with NRS, an unexcused absence is deemed truancy.
- If a student has been declared truant three times for unapproved absences, the school shall report the student and parent to a local law enforcement agency for investigation of habitual truancy.
- Parents and students are responsible for contacting the teacher to obtain make-up work within three (3) days of the absence.
- Students are allowed a minimum of three (3) days per date of absence to complete make-up work.

## **THOMPSON ATTENDANCE AND TARDY POLICY:**

*Students who are tardy must be signed in by a parent at the office.* A student is tardy if he/she is not physically present in class by 9:10a.m. or 12:50p.m. for the afternoon pre-k class.

### **Habitual absences will be dealt with in the following manner:**

1. 3 and 6 absences: attendance letter sent home
2. 9 absences: attendance letter sent home; Required Parent Conference with parent and administration
3. 15 absences: attendance letter sent home; Required Parent Conference with parent and administration; Possible referral to CPS for Educational Neglect.

Administration will retain the authority to grant exceptions to this policy based on each student and/or family's unique situation.

## **EMERGENCY DATA**

The school office must have current home, work, and emergency telephone numbers and current addresses. It is essential that we have this information in case of accident or illness. Please call or send a note to the office with your child whenever this information is changed.

## **MEDICATION AT SCHOOL**

If a physician has prescribed medication for your child to be taken during the school day, a form must be obtained from the office and completed by the parent or guardian. This record gives permission for authorized school personnel to administer medication and is kept on file in the school health office. Parents must bring the medication, in its original container with prescription label, to school, along with the authorization form. Do not send the medication with your child. Non-prescription medication such as aspirin may not be dispensed by school personnel. Students should not bring over-the-counter medication to school.

## **BREAKFAST AND LUNCH PROGRAM**

The cost (which is subject to change) of breakfast is \$1.25. A variety of items such as milk, juice, sweet rolls, and cereal are available. Breakfast is served beginning at 8:45 a.m. in the lunchroom. The cost (which is subject to change) of school lunch is \$2.00. We encourage you to prepay for lunches. You can even do this by credit card on line. This allows your child to obtain an "Express Card" and prevents lost or misplaced lunch money. Milk is available at \$0.25 for those students who bring their lunch. Prices are subject to change.

Students should have a school lunch or lunch from home every day. If a student does not have a lunch, they will be able to order a school lunch. This cost will be charged to parents or guardians, unless a student has previously qualified for free/reduced lunch. ***Due to the amount of time students have to eat in the lunchroom, they cannot take time out to call home for a lunch. If a parent or guardian plans to bring a lunch for a student, to the school, they must adhere to our lunch times for each grade level. We are unable to pull a student out of instructional time due to a late lunch-drop off.*** In a case such as this, we would have the student order a school lunch.

## **MESSAGES TO STUDENTS**

To ensure the safety of your child, we cannot take and deliver phone messages to your child. You must be present at the front counter and be able to show proper identification for us to tell your child to go home in a manner different from what you direct in the morning. The only exception to this is a message directing the student to go to Safekey since an adult with identification is required to pick up a child from Safekey. Thank you for your cooperation.

## **CLASSROOM DISRUPTIONS**

It is the intent of the staff to use instructional time to its fullest advantage, and we ask your cooperation in this effort. Messages, delivery of items, etc. to students who are in class will be limited to emergency situations only. Please make every effort to plan student appointments for after school.

## **PARENT/TEACHER COMMUNICATION**

### **CONFERENCES:**

Communication between parents and teachers is extremely important. We encourage parents to communicate with their child's teacher at any time, outside of instructional time. Regular parent-teacher conferences will be held at least once a year, and as often as is necessary. Please don't hesitate to request a conference if you have any questions or concerns. The principal, assistant principal, and any other relevant school staff members can be included in the conference to assist in the matter.

### **INFINITE CAMPUS PORTAL AND PROGRESS REPORTS:**

To help you more effectively monitor the progress of your child, the Clark County School District provides a computer based system by which you can track your student's grades and attendance. Information on Campus Portal access can be obtained from the office if needed.

Paper-based progress reports will only be printed upon parent request. Grades will be updated in the Campus Portal each week, and parents can access grades at any time. If a parent would like a paper progress report, based on pre-determined dates, they can sign-up on an interest letter that will be sent home in September. All students will receive progress reports in the middle of each semester and they will receive report cards at the conclusion of each semester.

## **PARENT TEACHER ASSOCIATION (PTA)**

All parents are encouraged to join and participate in the Thompson PTA. We appreciate the support and input of our parents and community members. The PTA at Thompson works to support the school in many ways. Some of the exciting events they lead, in order to promote community involvement, include Family Movie Nights, Breakfast with Santa, and the fall carnival. You will receive notice of monthly meeting dates and events held throughout the year.

## **SCHOOL VOLUNTEERS AND VISITORS**

**We ask that all visitors on campus, including those arriving for pick-up and drop-off, adhere to an appropriate style of dress for an elementary school, which would include wearing clothing that is not revealing and, ensuring that logos have appropriate language and pictures.**

### **SCHOOL VOLUNTEERS:**

We truly appreciate those with the time and energy to volunteer at our school! If you are able to help during the school day, please contact your child's teacher.

- Regular volunteers (more than 3 times per month) must successfully complete the CCSD background check and be issued a CCSD Volunteer badge.
- All volunteers must comply with CCSD Regulation 4100.
- All volunteers are required to sign and adhere to a school volunteer contract.
- All volunteer hours and arrangements are to be scheduled previous to the day(s) volunteers arrive, so that teachers can be prepared with items volunteers will assist with. Unannounced visitors and volunteers are not permitted.
- Identification will be checked for all volunteers each day. Visitor badges will be provided.
- When parents volunteer, they will conduct the majority of their support outside of the classroom so that the learning environment is effectively maintained.
- Appropriate school school-wide expectations and procedures are to be followed by volunteers.
- Volunteers must follow school-wide guidelines for dress code and cell phone usage.
- Phones must not be used in the hallways, pods, classrooms, or workrooms within the school.
- Non-school aged children are not allowed to be with parents as they are volunteering. This helps to maintain a safe and conducive learning environment.

### **VISITORS:**

Visitors are always welcome, but ***we require ALL visitors to report to the office. Visitors cannot enter the building through any door, except the main office door.*** Persons who wish to visit a classroom must make ***PRIOR*** arrangements with the teacher or principal.

- **Visitors will be required to show valid identification;** visitors will be given a visitor's badge to wear while on campus. Badges must remain on. Visitors should sign out before they leave the school campus.
- **Visitors are asked to silence their cellular phones and follow dress code requirements. This ensures compliance with district policies and guidelines.**

### **CLASSROOM OBSERVATIONS:**

On occasion, parents request to observe their child in their classroom. We welcome observations; however, to limit disruptions to the classroom setting, we have established the following guidelines:

- Classroom observations must be scheduled with classroom teachers at least one day in advance and are limited to thirty minutes in length.
- Parents cannot disrupt the educational setting (ex. talking to kids or distracting instruction).
- Upon arrival, parents need to sign in at the front office and receive a visitor's badge.
- Once in the classroom, the teacher will show you where to be seated during the observation.
- If your presence or actions cause a distraction to the learning environment, the observation will be concluded. Any future observations will be scheduled at the discretion of the principal.

After a classroom observation, any conversation with the teacher should be held when students are not present. Teachers can set up a conference with you to provide the time and attention you deserve. Thank you for your cooperation.

### **BATHROOM USE BY VISITORS**

School bathrooms are for student use only. For safety and security reasons, no visitors, including parents or family members, will be allowed to use student bathrooms. The school does not have public access bathrooms.

### **PHONES AT SCHOOL**

#### **SCHOOL PHONE USAGE:**

School phones are for business use. Students will only be allowed to use the school phone in emergencies.

### **STUDENT CELLPHONES**

The use by students of personal communication devices such as cell phones, pagers, or other similar electronic communication devices is prohibited at school during the instructional day. Students' cellular phones and personal electronic devices must be turned off and remain off during the instructional day. *Phones left on vibrate/silent modes are subject to seizure.* Cellular phones may only be used prior to the first bell, after the final bell, or during scheduled nutrition breaks or lunch periods.

Due to the proliferation of cameras being included as part of cell phones, cell phones should not be taken out and used as photo capturing devices at any time while on campus. Use of personal technology and communication devices that violate state or federal law, any District policies or regulations, or the CCSD Acceptable Use Policy is prohibited. When usage of devices is not allowed, devices must be turned off and stored in a non-visible location such as in a backpack, purse, or pocket. Students who violate these laws or policies will be disciplined according to District guidelines and the device will be subject to confiscation.

Cellular phones must remain off during a school evacuation, lockdown, or drill. During these situations, tell your child NOT to try to contact you by cell phone until given the okay by school staff, thus allowing emergency communication channels to remain open. The District's communication system has the capability of contacting parents/guardians in an emergency.

Parents/guardians are asked to silence cellular phones and other devices while at the school. This ensures both compliance with the above guidelines and serves to set a positive example for students.

As a reminder, all phones should be kept in a safe and secure location which is not visible to other students. The school is not responsible for any lost or stolen phones.

#### **Students who violate the cell-phone policy will be disciplined in the following manner:**

- a. First offense: Verbal warning to student.
- b. Second offense: Teacher confiscates the phone for the remainder of the day.
- c. Third offense: Administration confiscates the phone and parents must come to school to pick up the phone.
- d. Fourth offense: Student has to check phone in at office each morning and pick it up at the end of each day.

## HOMEWORK

Students have homework on a regular basis. Homework is a continuation of work that has been taught by the classroom teacher, but not completed by the students during their seat work. A certain amount of time for reading is appropriate as a homework assignment. Assignments provide time for independent study at home, Mondays through Thursdays. Fridays will typically remain free from homework as much as possible so weekends can be reserved for families.

## BIRTHDAYS AND CLASS PARTIES

School parties are held for a limited number of holidays. Birthday parties are not permitted during the instructional day in order to make the best use of instructional time. If treats are brought to school, prior arrangements must be made with the teacher. Treats will only be shared during the students' lunch time. For birthdays and class parties, *any treats brought to share MUST be store-bought and cannot contain nuts or be manufactured in a facility that produces products with nuts. Product labels must clearly state that the item was made in a nut-free facility. Store-bought product labels will be checked in order for treats to be allowed. If the label indicates that the items were manufactured in a facility that also manufactures nut products, the items will not be allowed. ANY item sent in that is not store-bought will be sent back with the parent/student.* Only cupcakes, cookies, or small items that can be easily and quickly handed out are allowed. Pizza and full lunch treats are not permitted. Parents must also be responsible for providing the necessary eating utensils, be prepared to serve the students, and provide enough treats for the entire class. No balloons, flowers, gifts, etc. are allowed in the classroom as part of a child's birthday.

## PERSONAL BELONGINGS

Each year we send a large number of student coats, sweaters, gloves, hats, lunch pails, etc., to charitable organizations because they have been lost at school and were unclaimed by their owners. **PLEASE LABEL ALL PERSONAL ITEMS SENT OR WORN TO SCHOOL.** Labels should include first and last names. Miniature video games, MP3 players, balls, bats, or toys of any sort are **NOT** allowed and the school is not responsible for the loss or damage to such items.

**Do not allow your child to bring balls, toys, fidget spinners, trading cards, electronic games, iPods or iPod-like devices, scooters, skateboards, or other items to school. Unauthorized items will be confiscated and held for parental pickup.**

### **SKATEBOARDS AND ROLLER BLADES:**

Skateboards, Heelies, and rollerblades are not allowed on the school campus. Any skateboards or roller blades brought into school will be confiscated and kept in the office until a parent comes to pick the item up.

## **BICYCLES AND SCOOTERS:**

For those children who bring bicycles or scooters to school, the following rules must be observed:

1. They are to be parked immediately upon arrival at the school's bike rack.
2. A lock must be provided for every bicycle or scooter brought to school. No bicycles or scooters can be brought to school without a lock.
3. Bicycles and scooters are not to be ridden at any time during the school day, other than arrival and dismissal time.
4. Students need to walk their bikes and scooters at all times while on school property.
5. Bikes and scooters are not allowed onto the main playground or kindergarten playground. This includes bikes and scooters for anyone picking up students after school as well.

**The school does not assume responsibility for the loss or damage of any bicycle while on the school grounds.**

## **DOGS AND PETS ON CAMPUS:**

For the safety of students, dogs and pets are not allowed on school grounds. This includes ALL sidewalk areas around the perimeter of the school as well as the parking lot. Pets are not allowed to be left in a vehicle that is parked on CCSD property. Please do not bring any pets to the campus.
